Gfp Adds Film Products to its Wide Format Finishing Line

Maryland Heights, MO, June 1, 2021 – Graphic Finishing Partners LLC (Gfp) announces the addition of its own line of Film Products that are designed and tested for optimal compatibility and performance with Gfp wide format laminating equipment.

"The time has come to introduce our own supply products," says Rob Acker, General Manager of Gfp. "Our new films meet the same strict standards that have built Gfp's reputation in the Digital Print Finishing marketplace over the last 12 years. Customers can be confident that Gfp films will deliver the same quality and trouble-free performance they've come to expect from us."

Since 2009, Gfp has focused on providing print and sign shops with new and better ways to increase productivity, profitability, output quality, and ease of operation for wide format finishing. **Gfp Film Products** provides a variety of Overlaminates, Mounting Adhesives and Print Media for the most challenging indoor and outdoor digital print applications.

Gfp Film Products are available from Authorized Gfp equipment Dealers across North America. Contact Gfp at info@gfpartnersllc.com for more information.
